

Hospital Disaster Support Communications System (HDSCS)

Testing Session For Amateur Radio Licenses

When: Saturday, October 13, 2018

Where: Care Ambulance Headquarters
1517 W. Braden Court, Orange, CA 92868

Time: 9:00 AM to noon

Please plan to arrive at 9:00 AM to be tested for all classes of Amateur Radio licenses. Pre-registration is required. Contact Ken Simpson W6KOS at (714) 651-6535 or W6KOS@arrl.net to register and get more testing information.

You can also visit with HDSCS members and leaders to learn about this all-volunteer Amateur Radio group that backs up communications for Orange County hospitals. See our communicators' disaster boxes and portable gear that they use to relay critical messages in emergencies.

For other questions, call April Moell WA6OPS at (714) 879-6895.
